# SGA SPONSORED EVENTS

# OVERVIEW

- SGA can sponsor events that are **ON CAMPUS** and **BENEFIT THE ENTIRE STUDENT BODY**
- There is no deadline for these types of things, it is based on when you need it!
- You will make a presentation that outlines when, where and what the event is and include a detailed budget for the event.
  - This presentation will be presented at an SGA Closed and Open meeting where the student body will discuss it and SGA will vote to approve it or not.
  - It is advised that you run the event and presentation by me first so I can ensure that it follows the SGA Funding Guidelines
  - I am hoping to conduct a training on this to help you all use this funding option to the best of your ability
  - For more information, please visit **EagleLife > Org Resources > Financial Resources > SGA Additional Funding Proposal Guidelines!**
