To qualify for a tier, RSO officers **must submit the Tier Request Form (found on Eagle Life > Org Resources > Financial Resources) by April 7th at 11:55pm**. With this form, all supporting documents must be submitted, including but not limited to attendance lists, social media posts about events, registration confirmations, receipts from dues paid and fundraising events, transcripts of meetings, and internal documents. The Treasurer will then determine which tier your RSO belongs in. All requirements must be complete by the time of the Tier Request Form submission. There will be a short time for appeals if you believe that we have placed you in the wrong tier. This will take place at the end of the semester.

If an RSO is disbanded for any reason, the "semester count" of that RSO will be reset if the RSO decides to reassemble.

If you have any questions, now is the time to ask! It is better to ask now instead of the day the forms are due. You can reach me at my email, prsgatre@erau.edu, my phone, (760) 987-7247 (please let me know who you are), or in the SGA office during my hours.

Respectfully,
